I'm still a little afraid

and the fact that he was taken in with the blade still in him

He didn't speak another word after that
I don't know if the doctors really believed him or not,
but because Arata-san really wasn't accepting food and was undernourished,
coupled with the fact that he'd been in before due to collapsing,
it looked like they accepted his story.
If-He-Says-He-Tried-To-Kill-Himself-Then-Whatever-Sorta attitude
As far as official business went,
it was clear that none of the hospital staff was interested in sticking their noses where they don't belong.
That may have also been a reason why they accepted it.
So we settled the case...
...without filing a report.

Y-
YANAGI-KUN?!
I JUST WANT TO STAY LIKE THIS FOR A WHILE...
DON'T WORRY, I WON'T DO ANYTHING...

ME TOO.
Just saying "I love you" to each other...

Another sleep-less night.
That night was sup-posed to be like any other night.
On nights like this, I like to walk around the hospital, even when I'm not on call.

WHAT'S THIS?
LEAVING SO SOON?
I'VE GOT A STUDY SESSION TO ATTEND.
And from that day on
the man who called himself "Ten" began staying at my house.

I'd been suffering from insomnia for several years.
Knowing that I had another restless night ahead of me, I busied myself with making hospital rounds.
And that's where I found him.
rattle
clack
The hospital rooms all came with their own bathrooms,
so I found it odd that a patient would leave his room in the middle of the night.
Who's there?
flash
No
Could he be a nurse?

I've got my own reasons if you don't mind
I couldn't make it during the day
I had no other choice
Like I said visitors aren't allowed this late at night
Visiting hours are over
But
But something about this man...
made me hesitate
I wanted to tell him that I didn't believe him
hmph
I wouldn't be so sure
A nurse let me in when I asked nicely
Said it'd be our little secret

Dr. Minafuji

...this our brand-new character making an appearance right in the middle of the final volume. Because of the hairstyle I gave him everyone at the studio kept calling him "Kitaro". Ha ha. Add the tone to Kitaro and stuff like that.

Anyway, I should say here that he makes one lousy seme. I have no idea why I have a thing for all these half-assed semes. (^^)

Hello there, everyone! This is Chifuru Ochi, and here you hold the final volume of "breath." Le sigh... It's finally over, and I have only you and your unwavering support to thank for making it this far. It's thanks to you that I was able to enjoy writing as much of it as I did. Thank you all so very very much m(_ _)m

Mom, that sounds like I'm about to quit writing manga! Haha!

Anyway, this volume is comprised of the main story's final two chapters as well as side stories (or should I call them the epilogues?) about Yanagi & Arata, as well as Ten-chan's story. As for the new PAGEs added, one can clearly see just how devastated Ten-chan was after being rejected by Arata. Ha ha. And, in a Ten-chan-like fashion, the new character of Dr. Minafuji came about. To be honest, he was supposed to be a really cool doctor when he first appeared. But surprise-surprise he ended up being a lousy seme(*). My most sincere apologies. (^^;) Still, it was a lot of fun creating a new character. And trust me, there's a reason as to why he has that Kitaro® style hair-over-one-eye look. Sadly, I never had the chance to explain exactly why he always has one eye covered. Haha.

I still haven't decided how it ends up for these two. (But) After all, the only reason Minafuji showed up at all was because Ten-chan was so vulnerable.

I wrote "My cats' diet was a complete failure."
On the back of this book's cover, you may have noticed something I wrote under "news."
A call from my editor, A-san.
Their diet was a failure?
May I ask
HOW ON EARTH THAT HAP-PENED?
She was rather blunt about it

T/N *"Kitaro" is a character from the classic manga series "Gegege no Kitaro."

In fact, I personally wrote Minafuji so that he could swoop in and save Ten-chan from himself. And no, I don't have any plans to continue their storyline. But if I ever do feel like writing about it again, I'd probably write the remaining episodes as a doujinshi(**) or something. Maybe I also didn't have many PAGEs to devote to Yanagi and Arata's lovey-dovey time. (^^;) Yup, I smell another doujinshi coming up. Hahaha.

Anyway, anyway! As I stated before at the start of this, thank you again so much for reading. I hope we see more of each other again in the future. My next work will probably be about Dr. Matsu. Until then!
